

Amendments to the Specification:

Please add the following new Government rights clause after the first paragraph listing cross-references to related applications on page 1, and before the second paragraph titled "Background of the Invention" on page 1.:

--The U.S. Government has a paid-up license in this invention and the right in limited circumstances to require the patent owner to license others on reasonable terms as provided for by the terms of Contract No. DTRA01-99-C-0181 awarded by the Defense Threat Reduction Agency.--
